

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF BIG SANDY RURAL)	
ELECTRIC COOPERATIVE CORPORATION)	CASE NO.
FOR A GENERAL ADJUSTMENT OF EXISTING)	2017-00374
RATES)	

ORDER

The matter is before the Commission upon a motion filed by Big Sandy Rural Electric Cooperative Corporation (“Big Sandy”) requesting leave to file the supplemental direct testimony of John Wolfram. In support of its motion, Big Sandy states that it has discovered that two of its proposed pro forma adjustments require revision in order to accurately reflect its operating expenses. Specifically, the pro forma adjustments are related to Federal Emergency Management Agency reimbursements and interest on long-term Debt. Along with its motion, Big Sandy submitted the supplemental direct testimony of Mr. Wolfram, which provides the updated pro forma adjustments.

Based on the motion and being otherwise sufficiently advised, the Commission finds that Big Sandy has established good cause to allow it leave to file the supplemental direct testimony of Mr. Wolfram.

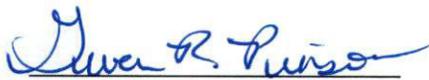

IT IS THEREFORE ORDERED that:

1. Big Sandy’s motion for leave to file supplemental direct testimony is granted.
2. The supplemental direct testimony of John Wolfram is accepted for filing as of the date of this Order and made a part of the official record of this matter.
